The Jay Community Center has continued to serve the families of Jay County since its inception as the Portland Boys Club in 1953. The revenue earned throughout the year allows JCC to provide affordable youth instructional leagues, clinics, 20+ low cost senior activities, and a free facility for patrons who wish to walk or access the basketball gyms. The Jay Community Center is also home to the Jay County Boys & Girls Club. Area youth can join for \$20 per year. Lastly, it provides funds that allow us to be creative in offering new events that benefit the community.

JCC appreciates your support of our mission. The Jay Community Center is committed to strengthening the health and social interaction of our communities and persons of all ages. We would like to invite you to join our continuing efforts to serve the families of Jay County and surrounding areas by continuing to be a sponsor of Jay Community Center programs. For your convenience, you may pay your sponsorships with a single payment or divide your contribution into monthly payments.
